Dear friends and supporters, ladies and gentlemen,

I am honored to speak to you today about a cause that is near and dear to my heart. As many of you know, the **Dojo of Exceptional Wellness, Inc. (DEWINC®)**, is dedicated to imparting martial arts as therapy to help individuals, in the Special Needs and General Population, who struggle with mental or physical disabilities, and various other lifelong challenges.

Over the years, we have seen firsthand, through **DEWINC®'s Wellness & Martial Arts (W&MA)** programs, the incredible impact that martial arts therapy can have on people's Quality of Life. From helping individuals with mental disorders find a sense of peace and healing, to empowering young people with disabilities to build strength and confidence, we have seen the transformative power of this practice time and time again.

But the reality is, our work is only possible with the support of generous donors like you. We are currently facing a critical moment in our organization's history, and we need your help to continue and sustain our important work.

We are in the midst of a fundraising effort, and your support is crucial, to reach our goal and in order to keep **DEWINC®'s** doors open to continue providing lifelong tools, vital resources to our participants dealing with lifelong challenges. Your donations will go directly towards providing free or low-cost martial arts therapy to those who could not otherwise afford it, as well as supporting the ongoing training and education of our staff.

As we continue to face unprecedented challenges in our world today, the need for mental health support has never been greater. By donating to **DEWINC®**, an **IRS-designated 501(c)3** nonprofit charitable organization, you can make a tangible difference in the Quality of Life of individuals who are struggling and in need of support. So I urge you today, to give what you can.

Every donation, no matter how small, can make a significant impact in the lives of those we serve. With your support, we can continue to provide hope, healing, and strength to those who need it most. We work toward improving the quality of life of those in our communities and *we invite you to come along, join us on our mission!*

*Thank you for your time and consideration. Together, we can make a real difference!*

Sincerely,

sensei Francisco Santander,  
Executive Director / CEO
