PARTNER WITH DEWINC® TODAY

Dear Philanthropists / potential Sponsors,

I hope this letter finds you well. I am writing on behalf of the Dojo of Exceptional Wellness, Inc. (DEWINC®), a 501(c)(3) nonprofit foundation dedicated to making a lasting difference in the lives of individuals across diverse populations through our unique and accessible Wellness & Martial Arts Programs; designed to provide participants with lifelong tools for lifelong challenges.

Our mission is simple yet profound: to foster physical and emotional wellness while creating inclusive opportunities for growth and empowerment. We specialize in offering *Okinawa Karate-do and Kobudo*, as well as *Tai Chi for Health* training for anyone in the Special Needs and General population between the ages of 9 to 99 years young.

All of our programs are thoughtfully designed with Applied Behavior Analysis (ABA) best practices, ensuring that our teaching methods meet the individual needs of each participant while promoting safety, discipline, and self-confidence. At DEWINC®, we believe in maintaining a no-contact teaching approach in all of our training sessions, placing the well-being and safety of every participant at the forefront. This unique approach allows us to create a safe and supportive learning environment, enabling individuals of all abilities and backgrounds to engage without fear or discomfort.

As we look to expand and enhance our reach, we are seeking philanthropic support and corporate sponsorship from visionary partners like you.

Your financial engagement will, among many things, help us:

-  - Expand our W&MA Programs to underserved communities
-  - Train more instructors to meet growing demand
-  - Provide necessary resources and equipment to our participants
-  - Strengthen partnerships with municipalities and corporate entities to access more ADA-compliant spaces

Furthermore, our organization partners with municipalities and corporate entities to utilize **ADA**-compliant spaces, reinforcing our commitment to accessibility and ensuring that everyone, regardless of ability, can fully participate in our programs.

By investing in **DEWINC®**, you are not only supporting a cause that promotes health, inclusivity, and personal development, but you are also helping to create a brighter future for countless individuals who benefit from our specialized programs.

We would be honored to discuss in detail how you can join us in this endeavor and explore meaningful ways to collaborate for the greater good. Together, we can continue to make a difference in the lives of those we serve.

Thank you for considering our request. We look forward to the opportunity to partner with you in advancing wellness and empowerment for all.

Warmest regards,

sensei Francisco Santander,
